## Personal Statement

---

I enjoy solving complex problems and completing tasks with the help of technology. I hope to be at the forefront of technological advancements that aid in the connection of people around the world. I also have a personal interest in visual design.

## Volunteerism/Activism

---

- **GEL Weekend Host, 2015**  
Planned and scheduled a weekend for a prospective student and operated in groups to provide a successful experience.
- **Mission Trip, 2013 – 2015**  
Constructed houses for families living in poor housing conditions and provided childcare and other services to those in need.
- **Viking Knights, 2012 – 2014**  
Served as an ambassador for the school; hosted scholastic activities and served as a liaison between students and the community

## Education

---
